Planning and executing an event of this size requires diligence and hard work by all of our volunteers, as well as financial assistance from the environmental community. ★ Exhibitors - \$400 ★

This conference has grown in size and scope every year with over 300 persons attending in 2009. With travel budgets restricted, more people will be turning to local 1-day training opportunities like ECIC 10. Your \$400 fee entitles your organization to a 10' by 10' exhibitor space and admission for one person to work the booth. (All additional attendees must register and pay separately.) The booth is supplied with a covered table, two chairs and basic electrical hookups. Your organization will also be identified in the program. Go to www.taep.org for the most current information.
